(Ages 5-11)

HUMILITY

April 19, 2020

Dear COOL Parents,

We would like to partner with you by providing fun and engaging Bible lessons and videos to teach your children the Word of God. We are grateful that we get to come alongside you to equip and empower the next generation of world-changing, leaders.

Partnering and loving you always,

Your COOL Kids Family

## Bible Lesson

### Lean on Me

**BOTTOM LINE:** Put others first because Jesus put you first.

**BIBLE STORY:** Lean on Me (Servant Principle) • Philippians 2:3-8

**MEMORY VERSE:** Don't do anything only to get ahead. Don't do it because you are proud. Instead, be humble. Value others more than yourselves. Philippians 2:3 (NirV)

### CIRCLE UP TIME

Bring your family together and ask everyone to share one thing they can do for someone else. Have your child say, “**put others first because Jesus put you first.**”

## WORSHIP TIME

It's praise and worship time! Let us sing and celebrate together. Let us keep celebrating the freedom we have because Jesus put us first! Get ready to dance and sing along with the videos. Lift your voices and give praise to God. Don't hold anything back! Don't forget to share your videos and tag us!

**Praise and Worship Song #2** [Good Good Father](#)

## BIBLE TIME

**FOCUS** God's Word teaches us everything we need to know. Today's story is going to explain why we should put others first. *Repeat this bottom-line statement with the children* **"PUT OTHERS FIRST BECAUSE JESUS PUT YOU FIRST!"**

**BIBLE STORY** Turn on the bible story of the week and find out how humility caused us to put other first. [Bible Story- Servant Principle](#)

### DISCUSSION QUESTIONS

- How do we put others first?
- How do we know the best way to put others first?
- How did Jesus put you first?
- What is one way you can put others first this week?

## MAKE IT PERSONAL ACTIVITY TIME

### GAME "Mystery Bag"

**Materials:** Bag or pillowcase filled with various objects

**What You Do:** Hand the bag filled with items to your child and ask them to take one item out of the bag. Then ask your child how they would use that item for

fun/enjoyment/etc. Once they've answered, ask them how they could use it for what someone else wants. (**Examples:** A video game controller could be used to play my favorite game. I could let my friend play with me even if he might mess up my levels. Or I could let my younger sibling try a game, give up video games for a week to spend time with my grandma, etc.)

**What You Say:** You all used these objects to show that we can use anything to put others first at any time! Every day, we all have lots of chances to put others first, but we all do want to have our own fun, too, and that's normal.

**MEMORY VERSE** (*Repeat the memory verse with the children*):

**Philippians 2:3** Don't do anything only to get ahead. Don't do it because you are proud. Instead, be humble. Value others more than yourselves.

**PRAYER** (*Lead your children in this prayer*):

"Dear God, we're so thankful that Jesus showed us what it looks like to live with humility. He put US first when He chose to follow Your plan. Please help us follow His example with the way we treat people this week. We know we need Your help to do that. Please give us the strength to **put others first because Jesus put us first**. We love You, and we pray these things in Jesus' name, amen."

## **CLOSING ACTIVITY TIME**

**CRAFT** "Happy Paper Heart"

**Materials Needed:** Craft paper in two colors (white and pink), Googly eyes (optional), Glue, Scissors, Black marker, Pen/Pencil

**Instruction:**

1. Begin by tracing the heart shapes onto your choice of craft paper. You will need 1 large and 4 small hearts. Cut out the hearts and set them aside.

2. Now, you will fold white paper into a fan shape.
3. Once it has been folded, cut it into 4 small pieces about 1" wide.
4. Unfold these and trim so 2 are longer making legs with the shorter 2 making the arms.
5. Now, you will attach the googly eyes onto the largest heart and draw a simple smile with your black marker. Next, you will attach the arms and legs with glue.
6. The final step is to attach the smaller hearts to the ends of the arms and legs to act as hands and feet.
7. Have your child write ways they can put others first in the different hearts.
