Dear COOL Parents,

Partnering and loving you always,

Bible Lesson

BOTTOM LINE: Knowing Jesus changes the way you see others.

BIBLE STORY: Reach Out, I'll Be There (Peter Goes to the House of Cornelius) • Acts 10

MEMORY VERSE: Faith is being sure of what we hope for. It is being sure of what we do not see. Hebrews 11:1 (NirV)

CIRCLE UP TIME

How can we treat people the way God wants us to? Discuss this question with your children. **Say:** *Knowing Jesus changes the way we see others. When we know Jesus, that means we should show love to everyone around us—not just the people who are most like us. Our faith in Jesus helps us focus on others. It helps us share God's love with everyone we meet.*

WORSHIP TIME

This is our time to lift our voices and focus our hearts on God. God wants every beat of our heart to praise Him. Don't forget to share your videos and tag us!

BIBLE TIME

BIBLE STORY Today, we are going to learn how Knowing Jesus can change the way we see other. **Say:** Knowing Jesus changes the way you see others. [Peter Goes to the House of Cornelius](#)

DISCUSSION QUESTIONS

1. Why did Peter think he couldn't go into Cornelius's house? **(It was against Jewish law for a Jewish person to go inside the house of someone who wasn't Jewish)**
2. What happened that made Peter think it was okay for him to go visit Cornelius? **(God showed Peter in a vision that He was making new rules)**
3. What did Peter do once he was at Cornelius's house? **(Peter told Cornelius and everyone in his home how Jesus died and was raised again so everyone can be forgiven; Peter baptized Cornelius and his family/friends)**

MEMORY VERSE Faith is being sure of what we hope for. It is being sure of what we do not see. Hebrews 11:1 (NirV)

MAKE IT PERSONAL ACTIVITY TIME

WHAT YOU NEED: whole milk, shallow pan, food coloring, cotton swab, dish soap

WHAT YOU DO: Pour the milk into the pan, filling it to about a half inch deep. Let everyone take turns dropping a couple of drops of food coloring into the pan, spacing out the drops and colors. Make sure everyone knows not to bump or shake the pan. Then dip one end of a cotton swab into some dish soap—saturating it, but not so much that it drips soap droplets into the pan of milk. Carefully dip the cotton swab next to a drop of color and watch the reaction. Do this a few times, so everyone has a chance to give it a try. See how many designs and swirls you can make before all the colors start to run together.

Say: Just like the soap changed the way the cotton swab interacted with the milk, knowing Jesus changed the way Peter saw Cornelius and his friends and family. Jesus came for everyone and made a way for all people to be together, no matter what their differences are.

PRAYER TIME

Dear God, we want to be people who see others the way You see them. We know that You value each and every person You made. We want to value others, too—no matter what we might have in common or what our differences might be. Help us to see people as You see them and forgive us when we fall short of that. Thank You for loving us the way You do. In Jesus name, amen.

Thank you for connecting with us online! Please share any feedback or prayer requests with us at kids@thecoolchurch.com. We would love to see videos and pictures of your child engaging in the lesson. Tag us on Instagram @wearecoolchurch or Facebook @COOLChurch.
